# WineMinder

## **Our Last Tasting Event 'til Fall**

On the first official day of summer, we will have our final wine tasting for the 2015 – 2016 season. And, what a nice tasting it will be. John Allen will be presenting slides of his recent wine trip up the Rhone River in France. After starting with a Spanish bubbly (Cava), the following wines will all be from the south of France.

Watch for emails this summer with additional information about the new website as we hope to go 'live' for the September tasting.

## **Events:**

There are ten events per year, with July and August off. Dinners are in December and April (dates TBD), and all tastings are on the third Monday of the month.

Dinners are at the Spokane Club at 6:30, and tastings are at the Southside Community and Senior Center at 7:30.

# About the Spokane Enological Society:

The Spokane Enological Society is a non-profit organization governed by an elected 18-member board of directors. The purpose of the society is to provide its members with opportunities to gain further knowledge and appreciation of wine. Functions are social and educational, usually centered on tasting, comparing and evaluating wines.

Being a non-profit organization allows us to get a special event license from the Washington Liquor Control Board, which allows us to buy wine at wholesale prices directly from Washington distributors or wineries. These savings help keep our costs low and are passed along to club members. The tastings are an exceptional value.

## **Board Meetings**

The SES board meets at 7:00 PM on the second Monday of every month except July and August. Attendees are asked to provide a bottle of wine and a snack to share.

Location: Southside Community and Senior Center, located at 3151 E 27th Ave, Spokane.

Board meetings are open to club members with prior notice to the President, Karen Davis at karen845@comcast.net.

Next meeting: 6/13/2016

## Membership news:

Remember, to spread the word about the Enological Society to your friends and neighbors.

Dues for new membership are \$30 – single, and \$45 – couple. Renewal fees are \$25 and \$40.

## "CAVA from Spain, & French wines on a Rhône River Cruise"

#### John Allen & Mike Scott presenting

Following his Wine, Food & Culture Tour of Spain and France in April, John Allen has come back with photos from the places his group visited and stories about wines they tasted. Our June tasting will be a somewhat misguided re-visit of this tour due to the addition of Mike Scott adding color commentary about his knowledge of the wines (nearly all sourced from his wholesale supplier's portfolio). It is recommended to bring 3 glasses for this tasting.

Most of the wineries the group visited were small, and their products have not been imported to the USA. Our tasting will consist of wines that ARE imported from those areas, and will deliver a most accurate representation of the styles tasted on the tour. We'll all be greeted with sparkling CAVA from Spain, and you'll hear about the area near Barcelona where most CAVAs are made while seeing photos of the region's very compelling architectural and geographic features. From there the group enjoyed a bus tour across the south of France along the Mediterranean coast; we'll taste a white blend from southwestern France's Côtes Catalanes area near Perpignan, alongside a Viognier from the Rhône river valley (Côtes du Rhône). From the estuary of the Rhône River at the town of Arles, the group boarded a small river cruise ship, taking a 7-day journey traveling north on the Rhône river up to southern Burgundy. We'll sample 3 reds from this renowned region, then we'll top off the tasting with a 'big boy' shootout between one wine from the southern Rhône's famous Châteauneuf-du-Pape appellation, alongside a Syrah from the Saint Joseph appellation, one of the several Northern Rhone appellations considered to be the ancestral home of Syrah.

Interestingly, Châteauneuf du Pape was among the earliest of the 'appellation' designated areas in France. This area and a bit of its history will be touched on during this presentation.

Please bring three wine glasses. If you want a Champagne Flute for the bubbly, include that, as well.
